

# COBOT CORE TRAINING

June 6<sup>th</sup> & 7<sup>th</sup>, 2019

This intense 2-day hands-on training class will combine classroom instruction with a functional robot on your desk. **There will be one robot for every two students.**

Topics include, set-up, program flow, and optimization of sample applications such as Pick-and-Place, and Palletizing.

This class aims to give students a thorough knowledge of the robot so that they can maximize their own robot's value.

**SIGN UP NOW -  
Space is very limited**

**Event held at:**  
HTE AUTOMATION  
8004 Reeder St.  
Lenexa, KS 66214
